The corner of Fifty-ninih street and Evensten avenne is about 300 yards from the Argyls Park station on the Chicsgo & Evanston branch of the Chicago, Milweu-kee & St. Paul reliroad. It is but two or from the lake and

WHERE THE BODY WAS FOUND.

short nine-teatile of a mila north from etitational amendmants on the 18th of the corner of Subser street and Evans-Junes one to put prohibition into the Conton avenue, where the empty truck was found on the day after Croain disappeared. There are four catch-hasins et the intersections of the street and the body was found in the one on the southeast corner. It seems altogether remarkable that it was not sooner discovered, for the Lake View police started out to search all the catch-basins in the city the week after the hiood-stained trunk was found.

The entire surronadings would assist men hent on such a mission as the dis-posal of n murdered men's body in keeping it a profound secret. The noarest house ! fully a quarter of a mile distant, and ie completely hidden from this point by trees and high shruhbery. The corner facing the hash is an open lot, but at the south a little further, sing the street the trees. ine the wood on either sida. The opposite corner is a solid ciump of trees and brush-

immediately upon taking the body out of the hesin Fureman Roesch notified the Lake View police station and summoaed the patrol wagon. The hody was stretched ont in the Lake View morgno, which occu-pies the front in the basement under the station. Telophone messages were seat to tha city police, and an hour efter the finding of the body a dozen of Croain's friends were at the station.

John E. Scanian, Mortimer Scanish and John F. Scanian were among the first who arrived. They identified the body as that of Cronia upon first sight. Later it was

more positively identified by L. L. Conklin the salooa keeper with whom Croma lived, and by James Boisad mmi Patrick McGary. Dr. Lewis, the dentist who last worked oa Cronin'e teeth, reached the etation inte many years was Croain's tailor. Mr. Scanian intended at first to send for Mrs. Conklin, hat inter it was thought uu-

In the ovening Dr. J. R. Braadt, president of the Cook County Hospital staff, carefully exemined the body and positively identified it as that of Cronin, its discovered the following cuts and exemined the body and positively identified it as that of Gronin. He discovered upon the head the following cuts and hruless: Over the left tample, a out four inches iong, through the scalp end into the skull; over the left parietal bone, a out one and a half inches long, which also marked the skull; also a out one and a half inches long over the frontal bone at the junction of the left parietal; a cut three inches long through the scalp and marking the ocipital bone; an large hrules hack of the forehead on the right parietal bone and near it, two onts each an inch long; brulese on the left gand covere contuctions upperently made by a biadgeou on the forehead. The doctor said that the hiewe must have been made by some sharp instrument, perhaps an ice-pick. He said if the instrument had not been sharp instrument, perhaps an ice-pick. He said if the instrument had not been sharp instrument, perhaps an ice-pick. He said if the instrument had not been sharp instrument, perhaps an ice-pick. He said if the instrument had not been sharp instrument

nne, and stated last night that it was Dr. Cronin's hair.

The most sensational apisode of the morning was the voinntary surrender of P. O. Builiven, the loe-man. He walked into the station shortly after 9 e'clock and toid Captain Wing that he was ready to go into enstody. He was faken down stairs end Ceptain Wing followed. Soon Lieutennet Spengler went down and was closeted with his superior and Mr. Snill-ven. The three men talked together for a early haif an hour, and then Sullivan was released noon his own recognizance. Cronin's hair.

The most sensational apisode of the morning was the voinntary surrender of P. O. Bulliven, the ice-man. He walked into the statica shortly after 9 e'clock and toid Captain Wing that he was ready to go into enstody, He was taken down stairs end Ceptain Wing followed. Soon Lieutennet Bpengler went down and was closeted with his superior and Mr. Snillven. The three men talked together for a carly half an hour, and then Suilivan was released upon his own recognizance, egreeieg, however, to remain under the

corpse of the latter has been found and his inurder placed beyond question, the views of Mr. Sullivan were sought from every side and were freely given—file said he had no theory in regard to the murder, ile joined in the general expression of sorrow at the occurrence. Coutinging, he said:

"Nothing suggests itself to my mide as motive for such a crime. I will say, however, that I firmly believe that investigation will show that fir. Cronin's uctoriusate death—has

ganization was completed, and rewards offered for the recovery of his body and the arrest of his abdectors. THE PRINCIPAL THEORY. is here no one side?"

1.4. is Irish organizations, as in all other izations, there are differences and factions in our const political perties; in the ranks the Pemocratic party there are factors, and the same may be asid of the gublican pirty. There are factors in pivate benevolent associations, and so on grough every organization and every perty, here were differences in the firsh socioties, util was merely a struggle for control. At the convention of 1880 Dr. Cronins triceds to the devenues. He aronsod no domesting as with womes. He aronsod no domesting as with womes. He aronsod no domesting as with womes. He aronsod no domestic regions in the fivenues in the Roman Catholic societies for which he beionged were pleasant. His only nutsposisms and trembles grew out of his connection with the so catted Irish National Leagne, which is an open organization. He was also a member of the Irish National Leagne, which is an open organization. He was also a member of the Irish National Leagne, which is an open organization. He was a leaded to the devotrous and the regions with womes. He aronsod no domestic regions and treples societies for which he belonged with the Roman Catholic societies for which he beinged with the Roman Catholic societies and the Roman Catholic societies and the Roman Catholic societies and treples grew out of his connection with the so catted Irish Netional societies. In American politics he was a legions of the Roman Catholic societies and treples grew out of his connection with the so catted Irish Netional societies. In American politics he was a legions of the Roman Cath the convention of 1886 Dr. Cronins a trieds made a struggle for control and were detected, and that is all there was to it. Thera was no antagonism to Dr. Cronic outsided this matter, sed whea he and his fr.ends were deteated it eaded there. It ended eads on other struggle for control in in enorganization ends, and I don't believe the detect of the people who were against Dr. Cronin and his triends in their struggle for control will had say thing to do with it.

"There have been some issinuations that there were mosetsry troubles in the Irish organizations."

"These having the organizations as to the perpetratore of the the other organizations."

"These lustinations were outrages apon every one mentiosed. I ena not imagine at all what could prompt any one to take the life of Dr. Crosin. There was no satipathy to ham in easy of the Irish sociefies that I was nequirated with."

John F. Reanloa said he bud his suspicious as to the perpetratore of the crime, but conif in the perpetratore of the crime, but it words, any further than to say that he is precise of carrying a rovolver in order to be able to protect himself if stacked. Mr. Semalan said he believed Croniu had farormation in his possession that he iffs was sought, ead begua the precise of carrying a rovolver in order to the all the protect himself if stacked. Mr. Semalan said he believed Croniu had farormation in his possession that he iffs was sought, ead begua the precise of carrying a rovolver in order to the sendence of the crime, but if the protect himself if stacked. Mr. Semalan said he believed Croniu had farormation in his possession that the course of the created to the control of cronins as a manifer of the decoased have in their possession will be placed in the himself of the decoased h

ecction with Mortimer Scaelan, of this city, he made e discovery which established beyond question the theft of \$83,000 of frsh secret society funds—not Land League or Nutional League funds, it should be temembered. A LOOSE RAIL.

Passengsr Traia Thrown From the Track
—Probably the Work of Train Robbers
—Forty-Five People More or Less HurtSt. Louis, May 25.—The westbonnd train on the St. Louis and San Francisco raiiroad which left St. Louis lest night at 8:15 was wrecked at a point three mlies west of Snilivan, Mo., which plece is sixtyeight mlies west of St. Louis. Not a pas-senger escaped nnhnrt, and fifteee are knows to have been seriossiy injored, though no deaths are yet reported. The train wes rua alog et a high rete of speed, when seddeaiy end without warnieg, tha track gave awey and the locomotive; baggage car and five coaches went over tha embankment. The trainmee and those only slightly injured at once set to work to prevent the additional horror of fire, in which they succeeded, end then tarned their nttestion to the more anfortunate injured, and in a very short time forty-five passengers, eil hudiy hurt, had been released from the dehris. A temporary hospitel was improvised at Suilivan, and the most seriously injured were taken there, while others were brought to St. Louis on the reilef train, which was hurried to the scene of disaster. The wounded are under the care of Dr. McIntyrs, chief surgeon of the road. The expianetion given of it by the trainmen to the passengers was that the spikes and fish-piatas had been removed from the rail at the curve, thus leaving the rail loose on the ties. The forward portion of the locomotive passed the piece ell right, but the tender immped the track end was thrown part of the way down an embaak-ment. It would prohnbly heve gone the eatire distance hed not the forward end held it np. Who removed the spikes and piates is not kaowa, but the supposition is the work was done by frnin robbers, who wanted to hold up the train. Still no rohbers put is an appearance, and, if the ac-

act prepared to do their work at that THE COTTAGE FOUND

To Which Dr. Cronia Was Decoyed and Put to Death. CHICAGO, Mny 25 .- The key to the Croain mystory was in a most literal sense brought to light inst evening. In a hieo l-smeared cottage which the police had niready decided was the scene of the mur-der, there was found by a i detective, iast night, a brund new key. The officers de-oided at once to try it in the lock of tha mysterione trunk found by the road-side tha morning after Cronin dis-appeared. The key fitted exectly. All donht now seems to be re-moved of a gennine connection between the prisoner Woodruff, the Doctor's dend body, the Irunk and the hiood-stnined cottage. Paint had been daubed on the floor to obliterate the crime, but the work wes badly done, and crimson spots are to be seen. The police now have a ciew which

Ohio Oil to be Piped to New York. GROVE CITY, PA., May 23.—A new eightinch pipe line is now being iaid from Par-

ker, Pa., to Signet, Wood Connty, O., where it will connect with the Limnline, and theace run to Chicngo. From Parker, a six-inch line will be laid to Coal Grove, McKean Couaty, Pa., where it will con-nect with a six-inch line already ind to New York City. It is said the oil will be New York City. It is said the oil will be Jungs H. J. Abbett, who was, perhaps, pumped from the Ohio field to New York, the oldest Odd Fellowin this country, died where gas will be manninctured from it to supply the city with fuel and light.

Confederate Menument Unvalled. ALEXANDRIA, VA., Mny 26.—The nnveiling of the monument to the Coafederate dead of Alexandrie, Va., took place yesterday. The namee of the failen from that piace, ninety-seven is nii, are in-ecribed on the shnit. The dny eciected was the nuniversary of the eatering of tha Federals iato the city and of the killing of

Colonel Elisworth by Jackson, landlord of the Marshail House. Legisialien in Favor of Wemen.

HARTFORD, CT., Msy 25.—The House passed a bill providing that no person shall be disqualified for being n member of any acclesiasticni society, with all the privilages and rights of male members, or from holding office in such society, by renson of sex; also a hill making women eligible to the offices of assistant fown clerk and registrar of hirths, marringes,

Pittseurgh, May 25.—Carnegle, Phipps & Co. have just flaished two steel pintes, each niae inches wide, 18) laches long and three inches thick. The finished weight of each plate is 9,000 pounds, and the test shows 6),000 pounds to teasile streegth. Krupp, of Garmany, was first asked to msaufacture the pintes, but had no rolls large anough to turn out such steel plates.

Twiggs' Swords Disposed Of. Washington, Mny 25.—An order wn to-day directing that the three swords of General David Twiggs now in the possesiloa of the Treasnrsr of the United States be thrued over to A. C. Myers. The istter, who is the axecutor of the Twiggs estate, was awarded the swords a short tima ago by the Coort of Claims

Suffrage for Wemen Net Yet. resentativas, the hiji granting snffrags to vomen oa ilquor license questioas was referred to the next Legisinture after a hot debate. Then, hy a voic of 54 to 93, the Hoese refused to reconsider this actio-thus killing the matter for this year.

iniernal Revenue Receipis. WASHINGTON, May 25.—The collections of internal revenue for the first ten months of the fiscal year ending Jnne 3), 1889, were \$104,821,921, being \$4,415,516 more than the collections for the corresponding period of the last fiscal year.

Saitled With Pistols. BROWNSVILLE, ALA, May 25.—George Wilsoa and Jemes Rountree, young farm-are living near here, quarreled about a giri and agreed to estile their differences with pietois. Wilson was killed.

Robbed of Thousands. NEW HAVEN, CT., May 25.—The Mer-chants' National Bank of this city was rohbed of about \$100,000 hy the cashier and assistant telior.

Gold for Europe. Naw York, May 24.—Heidelbach, Joksimeimer & Co. have ordered \$500,000 gold meimer & Europe. James Martin, thirty-se a factur in good circus Milloraburg, hangel him dny. No cause assigned. Consul at liamburg. How soon they may beimer & Co. have ordered be made, however, nobody knows.

THE COMMONWEALTH.

A LONG. hisck animal with small cars. a erge month and flat tell, measuring from seven to eight feet in iength, hne been seen severel times on the banke of the Licking river, nenr Lair's Station, K. C. railroed, recently. For several months it has been depredating emong the pigs, inmbs and poultry in thet neighborhood, end n day or two ago a colored mnn was attracted by the squeating of a pig in the huebes, ned, repairing thither, the straage enimal repairing thither, the straage enimal dropped the pig and plunged late the rives end divel out of sight, and settered a

cavern in the ciff. A MAN named Hamilton was stabled and dangerously woneded while trying to separate two negro convicts who were fighting, near Paris.

THE Republicen State Convention, in sessice at Louisville, a few deys ego, unenimously nomineted ilon. Joha Z. Bar-

ret, of Louisville, for Stete Treasurer.
ROBERT ALLEN, twenty years old, son
of William Allon, a fermer of Garrerd County, was drowned in the Kentucky river at the mouth of Little Hickmen creek, the other afternoon at four o'clock. The weter at this piece in about fifteen feet deep. The body has not been recovered. The unfortunate man is supposed to have committed saicide, as he recently hed pertintly fost his renson from hrnin

IN MEMORIAN. - Jasper Hinkle was born Jan. 3d, 1858, and died until the end. . .

He left a wife and five children and a host of friends to mourn his loss. All through his long illness, with a heart like Job, he would utter,"The Lord giveth and the Lord taketh nway, and blessed be the name of the Lord." When the hour sufferings he erossed his hands on his breast, his countenance was calm and peaceful, and with a smile of approbation he breathed his breath out sweetly—yes, he welcomed death. He took his flight and breath out sweetly—yes, he welcomed death. He took his flight and soared beyond the skies, from whence he will not return till the There was preaching at this place last host of angels shall accompany Gabriel, A FRIEND.

We are having plenty of rain and everything looks prosperons. If the heavens continue to smile we will have abundant crops.

And honor, sad fame, nhi clover,
Givn riches, and heslih, and bring him back
When 'this nrucl war is over?''

1889. A faded womas with streaks of gray flor acanty brown looks threading, to sorrow and loneliness took thn way Which many fast were treading.

To honor tan brave and nobis dead
With chaplet and wreath and emblem,
With roses, and delaies, and viniets fate
And Hily-bella nodding and trembling.

In a narrow grave, a flag at his head, 'Neath a simple stone she found him, Nn hanors, no fame, no rinhes were there, No tokeos nf rank sround him. No, none of the gifts she had asked that most of the trescherous four-leaved clover Had come to the men who lay at her feet, Her youthful and beautiful lover.

No cross, ne crown, no wreath of hay Did she place on the grayn of her lover, But, tied with a rithon of hiue and gray, A bunch of four-leaved nlover, —Elizabeth V. Hyntt, in Detroit Free Presa.

IN MEMORIAM.

A Romantic Story of Memoriai Day.

dny, sinking slowly to repose, began to east long shadows npon Ita pesceful oheck. There were bronze elonds dawdling through the high west wind wan.

pale sky, moved only in their frnyod, gilded edges by the low toning downly through the amhient sir. But for thin wind thn day had been very warm. Even the sweet bresth scarce tempered the heat to that small patrictic hand of school teachers, school children, youths and maidens who, with wreaths of now flowers, were quickly marching to the tolling of the belt

through the village street toward the eem-etery. It was Momorial Day.

The more self-provident had ridden or sauntered on nhead, and now, when that small procession came redly and rather faggedly tramping into the cool retirement of the graveyard, they were gathered loud loose, mildly expectant crowd around a loose, mildly expectant crowd around a pine platform, temporarily thrown up under ngreat elm in the center of the center tery, upon which the singers und the speaker and the dignitaries generally were to sit. So many years in their untimely graves! And those now living inherently loyal beings (some of them yet unborn when these graven were dug) here now in the sweet

evening light to remember the long departed!
Such a peaceful scene! Here on the village's western edge the level, orderly cemetery, dappled with the grey shado of untural clims and saffused with the wholesome linears of hards decay with the wholesome linear li

Did not the neart of this was easier than the full appeared companying the synchroline depression of tender diversion algorithms whet allow depressions with a light the shy hand she gave. Mas R INGE. Did not the heart of the war-scarred aign of pathetic diversion—of tender diver-sion—as that slim, dapper youth, child of peace and favorite of fortune, came forward in the gentle evening light and spoke out in clear, cratorical tones lines of such fine sentiment, vicarious puthos, inherent patriotism? He to tell of war who had known only peace! He to lament the dend who experienced only life! Yet it was n goodly sight—and thuy looked and listened with pleased faces, applieding him kindly—say-ing sotto voce how handsomn he was, how

Te we we The of.

There occurred only one diversion-one moment of withdrawn stention during his entire address. Once near tts beginning a late comer had come stepping leisurely and statelly coward the crowd, reposeful under the fire of glances which greated her; olad In clear yellow like the primrose west; dusk hair seductively bantered by the light-fingered wind, a bunch of bright roses in her hand. One or two gentlemen had gone a few steps to met her and shu took her place on the euge of the crowd with a smiltng glance of greeting to the faces nearest her and un instant turning of her ntiention npon him who was speaking.

In the midst of a sentence—across the lustering heads between—their eyes met; a steady look of welcome and repose.

When his address was over ther was an ether song, and then the crowd began gently to trickle off toward the rows of low mounds where the soldiers slept, as thny had fought, in ranks. Mordant had made

wny from the platform—gently througu congratulent crowd, with nullee and is of thanks—lil he atood before the

thay two standing irresolnts.

"Bhall we—those flowers?" he raid glaneing towards the soldiers tombs.

She shook her head. "My soldier," gravely smiling, "is not among his comrades, but with his people. You will ge with ma there?"

They moved forward, away from the shifting figures busy with wreaths, toward that line of dappled woodland darkly limning the limpid wast. In the last lot she—having entered the rusty iron gate—stooped overa slahe of gray stone and laid on its timeworn surface the bnuch of loose roses. He watched har with wistful eyes.

"I knew why you do that," he said as she raisend up and stood entlined to him against the scrap of amber beyond her. Sha looked at him. "Your mother loved him—that soldier,"

CHAPTER XXXIL

that solder."

"Yes," she answered, reverently. "I do
it for het. Whiln she lived she came thus
ou this day and remembered him. Hr"—
she looked at the crisp roses she had placed
on the stone—"he died for her."

"I know," said her companion, quickly.
"I have been told, my father loved her, too,
and he also is with the dead."
"It nill huppened," said she softly look.

and he also is with the dead."

"It nll huppened," said she, softly, looking up with dreamy, swed eyes, "before ofther you or I were born. This man," sha touched the gray atone, "and your father went to the war, each with her image in his heart; thny were friends. She did not know then whern her heart lay, and so when they want ahe told them when her heart spoke the beloved's name in his absence she would send to him a letter that neart spoke the beloved's name in his absence she would send to him a letter that amidst the roar of buttle and the lonely watch by camp fires he might know his love's prayers followed him. One night thoy two sat weary and sad in the light of the camp flame and he snw your father take a lotter from his breast and sit gazing upon the with dreaming looks. His cheek waxed pale. 'Jim!' he said. And gluneling up your father saw that wan dread fixed in his even as they stared at the letter. I'm. eyes as they stared at the letter. Jim turned in that instant whiter than his friend. 'Yes, John, yns,' said hn, in a hur-

ried, busky whisper.
"Next day," the spenkir gazed at the distnnt woods with her hand laid ngninst thn inces at hir throat, "the next day your father infriend sought oblivion in the thickest of the fight-nnd found it "

"Do you judge him harshiy—my father?" asked Mordant, wistfully, watching the soft wlud nt play amlist the light dusk hair. "liemember, he loved har so-aud it was but half a lie. Could he know his rival wou'd take it as he did?"

"Never mind," said she, kindly, considerate of the gloom that had come into his eye. "It is all past. She loved this poor fellow and he died for her. As long as I live he shall have roses"—tenderly, under her breath—"for her sake."

She came out of thin lot and was besida him, her earnest, sweet nyes meeting his as she spoke.

"Do you, then," said he, "lay auch store hy true love? You would reward tt? Ger-

"I AM SORRY "

trudo, history repents itself. Nore than twenty-five years ago my father loved your mother. 'To-dny I love you. Dearest!" his cheek tlushed. "In my father's fate to be mine also? Look at me. I love you truly."
She ginneed backward across the cemetery-trembling.
"See they have all gone. It is late."

RETRIBUTION.

"Don't put yourself out, doclor," said the Captain, with an assumption of coolness he did not feel. 'I care nothing for this yarn of yours, and can not walt to hear it."

fle came to his feet.
"Sit down," ordered Lura, omphasizing the order by covering him with her cocked revolver. He sank back into his chair with muttered imprecation against the "tiger

"It was in Chilfornia about two years ago that my first scene opens," proceeded the doctor. "Two men among the gold hills of that State became bosom friends— Lawrence Brandon and Karl Vandible. They first met in San Francisco and went to the mountains tegether. Karl Vandible was in eccentric man past the meridian of life, one who had seen better days, he asserted, and Ilrandon believed him. In time Vandibio made a contidant of his young friend, lirandon, and told him a strange story of the past.

"Knri had been the block sheep in the family of four toys. Two were dead, and Karl, the youngest, had drifted to Cali-fornia in search of adventure even at the age of fifty six. He assured Brandon that it was not really necessary for him to fight hand to hand with the world, since ho had a brother who was a millionmre lu one of the States beyond the Mississippl. That brother, said Karl, always sympathreed with me, and defeuded me egainst tho ussauits of others. I was proud, however, and wouldn't accept his bouoty. I haven't neen Morgan for ten years, but I know ho must be a very side was a result of the property of t

"Then Karl Vandible took from his ocket n letter which had lately come from his aged brother beyond the mountains. I will read a part of it."

The nonchiliant expression on the Cap-tain'n face changed to nervous sgitation as Dr. Colton drew forth n wrinkied en-velope, stained and frayed at the edgen

nin, again uttempting to rise. Again Starbright tooked Into the muzzlo

Again Starbright looked into the muzzlo
of Lura's revolver and subsided without
nore words.

His face wan like death itself.
"And now," said Karl Vandible, "I have

You shall one day own the place and every thing that I have. In fact, I have msdo a will in your fuvor, leaving everything to nou with the one condition that you nilow my granddaughter, Grace Penroy, an annuity of twenty thousand a year after she comes of age. I make the stipulation because I love the girl, and she has been most distillation being the control of the stipulation because I love the girl, and she has been most dutifal and kind to me. You see most dutifal and kind to me. You see twenty years my junior, and will have nurio time to enjoy my wealth after I am gone. Come, Karl, I am becoming feebie; feeling my years and infirmities more and more every day, and I wish to enjoy your company a little while before I pass to the other above. If you receive this I am avery you will not If you receive this I am sure you will not refuse to grant the prayer of your last of

"That is the substance of the letter read o Lawrence Brandon by Karl Vandible," aid Dr. Colion, "and It was that letter that offuceed Brandon to commit as awful

"What is this to me?" demanded Captain Starbright, curtly. "I can not remain -" "Rut you must remain," declared Lura, "Rut you must remnin," declared Lura, with scenning malicious satisfaction. And he did.

One would scarcely recognize in the emaclated mun on the bed our old acquaintance, Captain Sturbright.

mining camp together; but one of them reached Sacramento-Lawrence Brandon. In the night time he ntole up behind his companion, desit him a murderous blow from behind, and then, after making sure of his death, he hurled the body into a guich and hastened on his way. I will be brief for time is speeding. Brandon came o the States and finally ensconced himself at Lone Hollow. He told of his friendship for Kuri, Morgan's brother, and of how he had been with him when he died in a louely ave on the gold range. Morgan was deep-

"Sho is improving."

"I am glisd."

"And now," said Kurl Vandible, "tell un about the others, the will, and—"

"Every thing nald against me is true, even to forging the name of your brother to that will. He never would have changed the first one had be not supposed you dead—never."

ing friend and came East for the purpose of steating a fortune. Had his murderous blow succeeded, all might even now be well in the last.

Karl thought of his own sufferings, of the control of the last.

"Instead of coming to Lone Hollow he nid la n cave, once a counterfester's resort, in Hangman'n Gulen. Sometimes he had moments of sanity, but they were of short duration. He led a hermit life, and watched to meet Lawrence Brandon. Ho did meet him finally, and recognized him. He fired with the intention of taking life. Somehow

it seems that Brandon, alias Starbright, lived to concectf urther schemes of villainy, among them the poisoning of Grace Penroy, that he might, through a forged will, ecize upon the million left hy Morgan Vandible." That will is not a forgery." 'Keep quiet," ordered Lura.

"I have come near to the end of my story," proceeded Dr. Colten, with the ut-most gravity. "Before you went to Cail-forms you had sought to win the hand of Mise Joyce. She read your character and despised you. Afterward, when she learned that you were ut Lone Hollow, she resolved to thwart your designe upon the insuspecting old man Vandible and upon frace, although at that time she knew nothing of the erime you had committed among the gold hilln of California.

"Disguised as Fingal, the hunter, she has "Disguised as Fingal, the hunter, she has been quite successful in thwarting your viliainy. Your attempt upon her life on two occasions failed eignally. She discovered your attempt to porson her cousin."
"Ily heaven! this is too much," grated the Captain, white and trembling, at the same time coming to his feet. "This plot arranged between you and this shameless girl will not succeed. In good faith I came here. I was the triend of Karl Vandible. My name is Starbright, and..." My namo is Starbright, and-"

"Do you dely that you attempted his life!" interrupted the doctor. "I do, most emphatically." You did not strike him down in Call-

"You did not set blied assasshes on his rack bitta few weeks since, and sluk bla soly to a dark pool in the woods?"

White, week, grim as fate was the face of Dr. Ar for Colton as he put these que tions swiftly to the trembling man be-ore lam "K-n-old faitered Captain Starbright,

"Then, perhaps, you will dare deny these things to another witness." Dr. Colton turned swiftly and flung wide

the door. Two mon erossed the three Captain Starhright glared wildly into the face of the foremost mun, then he uttered a grentery of agony and terror. The dead had indeed come back to earth to stand as a witness against him.
"Kari Vandible alive!"

Then the shuttered spirit aank weakly, and Captain Starbright fell henvily into his ehair, covering his face to shut out the view.

Before them stood the msn we have known as Dnn Benito, the maniac. Now there was the light of reason glowing in his eyes, yet he was thin and paie, and lessed on the arm of his companion, an officer, for aupport. "I am not dead, Lawrence lirandon,"

said the wronged Chilfornian, in a solemn voice. "A hiow from your hand clouded my brain and sent mo forth a demented wanderer upon the earth. A weight of years has whelmed me, yet I did not forget nor forgive the mnn who struck that hiow, the mnn I trusted and confided in only to be murdered, simost, by his treachery. "Your last attempt upon my life proved

as futile as the tirst, thanks to this hrave doctor and his equally brave heiper, Lurn Joyce. Both were on hund to rescue me rom the watery grave into which your nucleus had cast me. The atone broke cose at the outset. I was unconscious for ome time, and these friends conveyed mu o Stonofield in a light vehicle. The shock to my system was terrible, but it served the ood turn to restore my renson.
From the hour of my regaining conscious

ness I knew every thing. My head to yet ness I knew every thing. My nead its yet sore, and I um very weak, yet I managed last night to astound you on the brink of the forest pool, where you had gene to con-tempiate your latest villainy. I had been to the cave after nomething left there by me, and spying you moving toward the pool I dogged your steps and executed a little thhicau that frightened you so that you swooned. From your pecket I abstracted this," holding up a deileate vial, "which the good doctor luforms mo is a nubtle and deadly poison. You have used it. My brother Morgan deed from its effects before he signed thu will, to which you afterward affixed his name. Your race in run, Lawrence Ilraodon. You have many murders to answer for, ult to gain a million that was As the man paused Lura held aloft a fold-

ed document.
"The last will and testament of Morgan Vandible, which leaves all his property to Karl, bis beloved brother. This will has wetope, stained and fraved at the edgen front apparent rough usage.

"This is nothing tome," growled the Cspanin, nemin utening to rise.

Morgan Vandible. I congratulate you, Mr. Vandlble."

Starbright dropped hinhandn and glared

toward the window.
"Seizo him!" rricel Lura. "There's a isdder at the window. Ilo will encape."

"Halt, elri"
"I will not be taken ulive!" hoarsely

uttered the haggard villain. On the inntant he presented a revolver, which he ulways carried in case of emergency.

This movement deterred his neizure, and then, erauching quickly, he glided through the open window. Both the officer and Dr. Colton dashed forward and peered out. Th caping viltain mode a misstep, alipped und, with a wild cry, plunged headlong the ground below

"I-I feel that I um not long for this world, Knrt."

The voice was faitering and low, and thu lips that uttered the words blue and shrunken. Beside the couch sat two men, tir. Coiton and Knrl Vandible. Outside the first snow of the season was nifting softly down upon the gray roof at Lono Ilullow.

as falso as my life has been. Where-where is Austin Wentword! He ought to

"He is still behind prison bars," nuswered

the doctor.
"And for my erlme. Yes, it was mine. meant to get rid of them both when I fired that shot. My nim was not good. I was nervous, I nuppose. Dropping the pintol I fled, and making a swift detour, came upon Austin and Grace from the direction of the house. I hope he may be set free. And

"Sho is improving."

white now, with cold sweat standing out in great drops, the pseudo Captain was obliged to listen to the remainder of the narrance.

"Lawrence Brandon murdered his trust—"Lawrence Brandon murdered his trust—"Lawrence Brandon murdered his trust—"Now—now, can you ever forgive me for the wrough I did, Kari—Karl, you who ware once my friend!" faitered the tying

steaming a fortune. Indicate muturerous blow succeeded, all might even now be woll with this villain. Karl Vandible was not killed, however. He lived and came East, but the blow had affected his brain and he as de mented. "You can not!" ground the dying man.

"You can not!" grouned the dying min "A higher power may-look there, not to me," maswered Vandible, in tones of sol-

emn gravity.

Then the einklog man gasped, attempted to speak, but failed. A convulsive shudder passed through his frame, n gasp and then eilence—the man of evil was dead.

thousand dollars a year. This was enough to marry on, Wentword and Grace believed and they consequently acted upon it and were united early the following spring. Lawyer Gripos, fearing procecution for his part in the transaction with Lawrence Brandon, left Stonefield and was eeen there

o more.

Mother Cubera and hor nons were arrented on their reappearance at Lone Hollow and were sent to prison for a term of years.

were sent to prison for a term of years.
Lura Joyce!
Yes, what of her who had proved the guardian angel of the Penreys! She won Dr. Arthur Coiton, certainly, and became his happy wife a year after the death of the wicked Brandon, alinn Starhright.
On the wedding morn Karl Vandible astonished the bride with a certificate of deposit in the Stonefield Bank, in her name, for the snug eum of twenty thousand deliars.
"I owe every thing to you, brave little woman," he said, gravely, "and you must accept this in slight recompense."
It proved the nest-egg for a future fortune.

EVIDENCE seems to show that age effects the intensity of aleen note than the frequency of dreams.

DEPEW'S HOME LIFE

emething About the Family Affairs of New York's Favorite Orator, The home life of Chauncey Depew's amily is one of the most ideal in New York. They live in the large, handome house vacated by Dr. William A. Hammond when the latter removed to its decorations appropriate inscriptions in French, German, English, Latin and Greek. There is a beautiful parior, whose ceiling is domed and which is finished-walis, hangings, furnitureall in white. In Mr. Depew's study the light from a stained window sifts through Eastern palms and touches gently an Egyptian mummy and fulls upon the head of a sphinx, a sort of ments are simple and without ostenta-

Mrs. Depew has a French maid. Tho stable contains three horses, a coupe and an open carriage. The family includes besides Mr. and Mrs. Depew and young Chauncey, aged that kidney disease is the reul cause of ill ten, Mrs. Depew's mother, Mrs. Hegeman, and the two little daughters of a brother who died at her house a few weeks ago, and their governess. Mrs. Depew's father was a wholesalo druggist on Broadway, and accumulated a large fortune. He was an accomplished amatour artist, and Mrs. Hegeman was in her day one of the finest amateur planists in the city.

tion, though there are pienty of ser-

vants. Two butiers wait at table, and

The top floor of the Depew home is given up to the children. Here are the nursery and the school room, and hore on rainy days they accompany the governess on imaginary trips through Central park, young Chauncey's lively fancy piying as many questions about imag-Inary object as he is used to do about real ones. The young heir has a vory active mind, and has had to be kept back in his studies. His mother has been his only teacher. But the children's happlest time is in the late afternoon, for then the great orator comes home, and it is his habit to mount to to some one of the many society and ciub banquets which daliy demand the honor of his presence. He nover writes a speech, but usually spends a few mo ments reflecting on his subject, jotting down a few headings in the process.-N. Y. Letter.

BLARNEY THAT PAYS. The Overwhelming and irreelstible Effects

of Auctioneering Oratery.

It takes a man of talent, wit, tasto, general information—in fact, almost a man of genius—to be a first-ciass auctioneer. We have sometimes listened to the knock-down arguments of one of these Orators of the Mart, in favor of the antiquity, reality and rarity of some bogus article of virtu, until we are all but persuaded against our reason that of Auctioneering Oratury.

It takes a man of talent, wit, tasto, but persuaded against our reason that it was not a counterfeit.

with seening malicious satisfaction. And he did.

"The reading of that letter set evil thoughts at work in the brain of Lawrence through the doctor. "Ho plungo from the upper story of the great house on that night just a forting the great house on that night just a forting the from which he could not recover, and he was slowly and surely dying.
